

A Note from Bro. John

Children's Ministry Parents, Staff, & Volunteers:

We had a great week of Vacation Bible School in June. I need to give out some verbal bouquets to the following persons: Thank you to Tari Thomas, VBS Director; Tracye Box, Preschool Director; Carrie Roddy and Nicole Browning, VBS Resources; Wanna English, Children's Pastor's Assistant; and Jo Hamilton, Children's Ministry Secretary. These ladies were the Leadership Hub of making VBS a huge success again this year. Great job!

Thank you as well to every rotation director, lead teacher, and support volunteer staff in every area of VBS, whether adult, college, or teens. You all did a great job and made up a VBS Team of over 150 volunteers strong. Way to Go! God used your investments of time, effort, energy, and resources to see 11 children trust Jesus as their personal Savior and Lord. Other children affirmed or renewed commitments to Christ throughout the week. That's what VBS is all about! I'm already excited about next year's VBS – The Big Apple Adventure: Where Life and Faith Connect.

Don't forget about important activities and events coming up in July, including a movie day for preschoolers, Seize the Summer & Worship Kidstyle on Wednesday nights, camps, and preteen ministry events throughout the month. Check out the rest of the newsletter for dates and details about the events happening in July.

I hope you're enjoying your summer. Take time to rest and get renewed and refreshed; but don't take a break from your relationship with God. Stay plugged in to the Source!

Blessings! Bro. John
