Providing Hope and Love through Jesus Christ

Child Sponsorship Program

Child's Name: Cocus
Pronounced "coke-us"

Gender: Male

Age: 6 years old

Location: Kampala, Uganda

Cocus suffers from spinal TB. His father is dying of AIDS. His mother stated that she does not love him due to his disability and that he is too much trouble. Before coming to the Rafiki Home, he was in desperate need of a loving family and home. He was one of the **over 2 million** orphaned and destitute children living in the streets and ghettos of Uganda. Many of the children are orphaned by war, disease, and malnutrition. Cocus is **no longer** one of these children due to the love and support she receives at the Rafiki Home. Rafiki Africa Ministries offers orphaned and destitute children help and hope for the future.

God can use you to make a difference in the life of a child. When you sponsor a girl or boy, you make a personal connection. You become family. Along with food, clothing, access to clean water, educational opportunities, and healthcare, they discover that God loves them and that a very special friend loves them too.

Through the help of a caring sponsor, Cocus can receive the love and support he so desperately needs. Please pray for him.

"Religion that God, our Father, accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world." James 1:27
